CEETA INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT

To The Members Of Ceeta Industries Ltd.

Report on the Financial Statements

We have audited the accompanying (Standalone) financial statements of Ceeta Industries Ltd. ("the company") which comprise the Balance Sheet as at 31st March, 2019, the statement of Profit and Loss, Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Auditor Response
Evaluation of uncertain tax positions The Company has material uncertain tax positions which involves significant judgment to determine the possible outcome.	Principal Audit Procedures Obtained details of completed tax assessments and demands till the year ended March 31, 2019 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.

CEETA INDUSTRIES LIMITED

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these (Standalone) Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these (standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on

CEETA INDUSTRIES LIMITED

whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its Profit/Loss and its Cash Flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d. in our opinion, the aforesaid (Standalone) financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ceeta Industries Ltd. (“The Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

CEETA INDUSTRIES LIMITED

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

NOTE 1

SIGNIFICANT ACCOUNTING POLICIES

a. Corporate information

The company is presently engaged in the manufacture of Pre-stressed Concrete Poles in the state of Jharkhand and has kept the activity of manufacture of granite products in abeyance due to various problems. As in earlier years, the company continues to undertake different profitable activities such as trading in granite and other products, handling & transportation and short term deployment of funds depending on available opportunity.

The Company is a domestic public limited company incorporated under the provisions of the Indian Companies Act, 1956, as extended to Companies Act, 2013 and it has registered office at Plot No.- 34-38, KIADB Industrial Area, Sathyamangala, Tumkur- 572104. The equity shares of the company are listed at BSE Ltd.

b. Basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention instruments which are measured at fair values, the provisions of the Companies Act, 2013. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017. The Company has adopted all the Ind AS standards as applicable. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

c. Change in accounting policy

Presentation and disclosure of financial statements:

The company has followed Schedule III as notified under the Companies Act 2013 for the preparation and presentation of its financial statements. Further, the company has followed the Schedule II of the Companies Act, 2013 for charging depreciation of the current financial year and reclassified the previous year figures in accordance with the requirements applicable in the current year.

d. Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

e. Property, Plant and Equipment

Under the previous Indian GAAP, property, plant and equipment were carried in the balance sheet on the basis of historical cost. On transition to IND AS, the company has adopted optional exception under IND AS 101 and has regarded historical cost as carrying value in IND AS compliant financials.

Property, plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

to the acquisition of the items. Assets are depreciated to the residual value as on 01/06/2003 and subsequent capital expenditure i.e.; addition to fixed assets, on a straight line basis over the useful life prescribed in Schedule II to the Companies Act, 2013.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of Profit and Loss on the date of disposal or retirement.

f. Intangible Assets

Identifiable intangible assets are recognized when – a) the company controls the asset, b) it is probable that future economic benefits attributed to the asset will flow to the Company and c) the cost of the asset can be reliably measures.

Computer software are capitalized at the amounts paid to acquire the respective license for use and are amortized over the useful life prescribed in Schedule II to the Companies Act, 2013 on straight line basis.

g. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments and Long-term investments are carried in the financial statements at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited under the head “capital gain” to the statement of profit and loss.

h. Inventories

Raw materials, components, Work-in Progress, Stores and Spares, Finished Goods and Stock-in-trade are stated at lower of cost and net realizable value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. Cost formulae used are ‘FIFO Method’ or ‘Weighted Average Cost Method’ as applicable.

i. Revenue recognition and other Income

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods:

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects Goods and Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross).

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Investments:

Revenue from sale of equity/ bonds / mutual funds are recognized when all the significant risks and rewards of ownership of the instruments have been passed to the buyer, usually on delivery of the instruments. Income from Investments are included under the head "other income" in the statement of profit and loss.

j. Foreign currency transaction

Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions and balances

(i) Sale: Direct exports are undertaken in terms of the currency of the country of export and accounted for at the rate prevailing on the date of shipment. The difference in exchange on the date of realization of debts is taken in revenue. Third party exports are undertaken at rupee value.

(ii) Expenses: The actual expenses in terms of rupees on the date of transaction/ remittance for purchase (import) of goods and expenses are taken into account.

(iii) Capital Goods: No capital goods were acquired out of foreign exchange involvement since 01-06-2003.

(iv) Borrowings: No foreign currency borrowings were made during the current financial year and no outstanding foreign currency borrowings were at the beginning of the year.

k. Retirement and other employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Post-employment obligations

The Company operates the following post-employment schemes:

(a) defined benefit plans such as gratuity; and (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The retirement benefits of the employees in the form of gratuity is provided on accrual basis taking into account the actuarial valuation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Defined Contribution Plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund.

i. Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

As the company is having deferred tax asset by concept of prudence, no provisions has been made in the books.

Current tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

m. Segment reporting

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenues and expenses are directly attributed to the related segment. Revenue and expenses like dividend, interest, rent, profit/ loss on sale of assets and investments etc., which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have not been included therein.

The Company at present has three segments viz. granite division engaged in manufacturing granite products, cement moulded product division engaged in manufacture of PSC pole and other operations which comprise trading transactions including brokerage, commission, mining, transportation, interest income on short term lending and miscellaneous services.

Segment result includes revenue less operating expenses and provision, if any, for that segment. Segment capital employed represents the net assets in particular segments. Head office income and expenses are considered as unallocable corporate expenditure net of unallocable income.

n. Earnings Per Share

The company reports basic and diluted earnings per equity share in accordance with AS-20 (Earnings Per Share). Basic earnings per equity share has been computed by dividing net profit or loss by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share, has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

o. Inter Corporate Loans

The Company follows the KYC norms before providing inter-corporate loans of its surplus fund. The Company also covers reasonable securities against loan before / at the time of providing loans. Loans are segregated into secured and unsecured depending upon the securities taken against the loan.

p. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they being considered as integral part of the Company's cash management

q. Current versus non-current

The Company presents assets and liabilities in statement of financial position based on current / non-current classification

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of the Companies act, 2013 notified by MCA

As asset is classified as current when it is -

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading, c) Expected to be realized within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-current.

A liability is classified as current when

- a) Expected to be settled in normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

Deferred tax assets and liabilities are classified as current assets and liabilities.

r. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

s. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

t. Investment in Subsidiaries

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's return

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On transition to IND AS, the Company has adopted optional exception under IND AS 101 to value investment in subsidiaries at deemed cost for which deemed cost is their previous GAAP carrying amount.

Independent Auditors' Report
To the Members of
Ceeta Industries Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Ceeta Industries Ltd. ("the company") which comprise the Balance Sheet as at 31st March, 2019, the statement of Profit and Loss, Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Auditor Response
Evaluation of uncertain tax positions The Company has material uncertain tax positions which involves significant judgment to determine the possible outcome.	<u>Principal Audit Procedures</u> Obtained details of completed tax assessments and demands till the year ended March 31, 2019 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.

CEETA INDUSTRIES LIMITED

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ceeta Industries Ltd. (“The Company”) as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2)

CEETA INDUSTRIES LIMITED

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

NOTE 1

SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Consolidation

The consolidated financial statements which relate to Ceeta Industries Limited and its Subsidiary Company- Kingstone Krystals Ltd. have been prepared on the following basis:

- I. The financial statements of the Parent Company and its subsidiary are combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenditure, after fully eliminating intra group balances, intra group transactions resulting in unrealized profit or loss in accordance with Ind AS 110 notified under section 133 of the Companies Act, 2013.
- II. The consolidated financial statements have been prepared using uniform accounting policies, except stated otherwise, for like transactions and are presented, to the extent possible, in the same manner as the Parent Company's separate financial statements.
- III. The difference between the cost of investment in the subsidiary and the share of net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- IV. Minority Interest's share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- V. Minority Interest's share of net assets of consolidated subsidiary is identified and presented to the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- VI. The subsidiary Company considered in the financial statements is as follows:

Name	Country of Incorporation	% Voting power as on 31/03/19
Kingstone Krystals Ltd.	India	98.96

b. Corporate information

The company is presently engaged in the manufacture of Pre-stressed Concrete Poles in the state of Jharkhand and has kept the activity of manufacture of granite products in abeyance due to various problems. As in earlier years, the company continues to undertake different profitable activities such as trading in granite and other products, handling & transportation and short term deployment of funds depending on available opportunity.

The Company is a domestic public limited company incorporated under the provisions of the Indian Companies Act, 1956, as extended to Companies Act, 2013 and it has registered office at Plot No.- 34-38, KIADB Industrial Area, Sathyamangala, Tumkur- 572104. The equity shares of the company are listed at BSE Ltd.

The Consolidated financial statement for the year ended March, 2019 are adopted and authorized for issue by board of the holding company on 30th May, 2019.

c. Basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention instruments which are measured at fair values, the provisions of the Companies Act, 2013. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017. The Company has adopted all the Ind AS standards as applicable. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

d. Change in accounting policy

Presentation and disclosure of financial statements:

The company has followed Schedule III as notified under the Companies Act 2013 for the preparation and presentation of its financial statements. Further, the company has followed the Schedule II of the Companies Act, 2013 for charging depreciation of the current financial year and reclassified the previous year figures in accordance with the requirements applicable in the current year.

e. Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

f. Property, Plant and Equipment

Under the previous Indian GAAP, property, plant and equipment were carried in the balance sheet on the basis of historical cost. On transition to IND AS, the company has adopted optional exception under IND AS 101 and has regarded historical cost as carrying value in IND AS compliant financials.

Property, plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. Assets are depreciated to the residual value as on 01/06/2003 and subsequent capital expenditure i.e.; addition to fixed assets, on a straight line basis over the useful life prescribed in Schedule II to the Companies Act, 2013.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of Profit and Loss on the date of disposal or retirement.

g. Intangible Assets

Identifiable intangible assets are recognized when – a) the company controls the asset, b) it is probable that future economic benefits attributed to the asset will flow to the Company and c) the cost of the asset can be reliably measures.

Computer software are capitalized at the amounts paid to acquire the respective license for use and are amortized over the useful life prescribed in Schedule II to the Companies Act, 2013 on straight line basis.

h. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments and Long-term investments are carried in the financial statements at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited under the head "capital gain" to the statement of profit and loss.

i. Inventories

Raw materials, components, Work-in Progress, Stores and Spares, Finished Goods and Stock-in-trade are stated at lower of cost and net realizable value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. Cost formulae used are 'FIFO Method' or 'Weighted Average Cost Method' as applicable.

j. Revenue recognition and other Income

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods:

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects Goods and Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross).

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Investments:

Revenue from sale of equity/ bonds / mutual funds are recognized when all the significant risks and rewards of ownership of the instruments have been passed to the buyer, usually on delivery of the instruments. Income from Investments are included under the head "other income" in the statement of profit and loss.

k. Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions and balances

(i) Sale: Direct exports are undertaken in terms of the currency of the country of export and accounted for at the rate prevailing on the date of shipment. The difference in exchange on the date of realization of debts is taken in revenue. Third party exports are undertaken at rupee value.

(ii) Expenses: The actual expenses in terms of rupees on the date of transaction/ remittance for purchase (import) of goods and expenses are taken into account.

(iii) Capital Goods: No capital goods were acquired out of foreign exchange involvement since 01-06-2003.

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

(iv) Borrowings: No foreign currency borrowings were made during the current financial year and no outstanding foreign currency borrowings were at the beginning of the year

I. Retirement and other employee benefits:

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Post-employment obligations

The Company operates the following post-employment schemes:

(a) defined benefit plans such as gratuity; and (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit

credit method. The retirement benefits of the employees in the form of gratuity is provided on accrual basis taking into account the actuarial valuation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Defined Contribution Plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund. tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

As the company is having deferred tax asset by concept of prudence, no provisions has been made in the books.

m. Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

As the company is having deferred tax asset by concept of prudence, no provisions has been made in the books.

Current tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case,

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

n. Segment reporting

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenues and expenses are directly attributed to the related segment. Revenue and expenses like dividend, interest, rent, profit/ loss on sale of assets and investments etc., which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have not been included therein.

The Company at present has three segments viz. granite division engaged in manufacturing granite products, cement moulded product division engaged in manufacture of PSC pole and other operations which comprise trading transactions including brokerage, commission, mining, transportation, interest income on short term lending and miscellaneous services.

Segment result includes revenue less operating expenses and provision, if any, for that segment. Segment capital employed represents the net assets in particular segments. Head office income and expenses are considered as unallocable corporate expenditure net of unallocable income.

o. Earnings Per Share

The company reports basic and diluted earnings per equity share in accordance with AS-20 (Earnings Per Share). Basic earnings per equity share has been computed by dividing net profit or loss by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share, has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

p. Inter Corporate Loans

The Company follows the KYC norms before providing inter-corporate loans of its surplus fund. The Company also covers reasonable securities against loan before / at the time of providing loans. Loans are segregated into secured and unsecured depending upon the securities taken against the loan.

q. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they being considered as integral part of the Company's cash management

r. Current versus non-current

The Company presents assets and liabilities in statement of financial position based on current / non-current classification

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of the Companies act, 2013 notified by MCA

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

As asset is classified as current when it is -

a) Expected to be realized or intended to be sold or consumed in normal operating cycle, b) Held primarily for the purpose of trading, c) Expected to be realized within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-current.

A liability is classified as current when

a) Expected to be settled in normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

Deferred tax assets and liabilities are classified as current assets and liabilities.

s. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

t. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

u. Investment in Subsidiaries

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's return

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On transition to IND AS, the Company has adopted optional exception under IND AS 101 to value investment in subsidiaries at deemed cost for which deemed cost is their previous GAAP carrying amount.
