Profit after tax	108.35	276.22

REVIEW OF OPERATIONS:

The trading condition of the granite industry particularly in the export market continues to be difficult and our company is no exception. Our company being an Export Oriented Unit (EOU), the dearth of profitable export order affected the company's working adversely during 2012-13. The company could earn some surplus mainly by undertaking other activities such as trading, transportation, investments etc. The total revenue of the company was Rs. 920.22 lac in 2012-13 as against Rs. 859.11 lac in the previous year. It earned a Net Profit of Rs. 108.35 lac in 2012-13 as compared to Rs. 276.22 lac in 2011-12.

The profits of 2011-12 enabled the company to achieve positive net worth and it ceased to be a sick industrial undertaking. The Board for Industrial and Financial Reconstruction (BIFR) reviewed the company's financial status and discharged our company (vide its order dated 29-05-2012) from the preview of Sick Industries (Special Provision) Act, 1985 and BIFR.

PROSPECT:

The company continues to make effort to obtain profitable order for granite products from export market as also to explore possibility of diversified activity.

DIVIDEND:

In order to conserve resources for working capital requirements in the absence of bank finance, no payment of dividend has been considered.

DIRECTORS:

Sri Arabinda De, Director of the company, retires at the ensuing Annual General Meeting by rotation and being eligible, offers himself for re-appointment pursuant to the provisions of the Companies Act, 1956 and Articles of Association of the Company. He does not hold any share in his own name. He is director in six other limited companies. He is a practicing Chartered Accountant and doing practice since 20 years.

CONSOLIDATED FINANCIAL STATEMENTS

In compliance with the Accounting Standard 21 on Consolidated Financial Statements, the Annual Report also included Consolidated Financial Statement for the financial year 2012-13.

SUBSIDIARY COMPANY

In terms of Section 212 of the Companies Act, 1956, the documents required to be annexed in respect of M/s. Kingstone Krystals Limited, a subsidiary Company are attached to this report.

CEETA INDUSTRIES LIMITED

CEETA INDUSTRIES LIMITED**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF CEETA INDUSTRIES LTD.****Report on the Financial Statements**

We have audited the accompanying financial statements of CEETA INDUSTRIES LTD. which comprise the Balance Sheet as at 31st March, 2013, the Statement of Profit and Loss and Statement of Cash flow the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- in the case of the Profit and Loss Account, of the profit for the year ended on that date.
- in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

NOTE 1

SIGNIFICANT ACCOUNTING POLICIES

a. Corporate information

Ceeta Industries Limited is a domestic public limited company incorporated under the provisions of the Indian Companies Act, 1956. The company's main activity, being the operation of its hundred percent export oriented granite unit, had to be kept in suspension due to continuing unfavourable trading condition in the export market. The company, therefore, has always been in the took out for opportunity to undertake profitable activities such as trading, handling & transportation and deployment of funds for short term with the corporates. The other activities as mentioned earlier have enabled the company to have profitable operations.

b. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

c. Change in accounting policy

Presentation and disclosure of financial statements:

The revised Schedule VI notified under the Companies Act 1956, has become applicable to the company in the previous year for preparation and presentation of its financial statements. There is no change in accounting policy of the company during the current year. However, the company has reclassified the previous year figures in accordance with the requirements applicable in the current year.

d. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods

e. Tangible fixed assets

Fixed assets are stated at the book value as on 01/06/2003 and subsequent capital expenditure i.e.; addition to fixed assets are stated at cost prevailing at the date of acquisition.

f. Depreciation on tangible fixed assets

Depreciation on fixed assets has been provided on straight line method; in case of plant & machinery for granite division the 'triple shift basis' has been taken. The rates and manner for depreciation provision are as per schedule XIV to the Companies Act, 1956 as amended by the Companies (Amendment) Act, 1988.

g. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at cost. Long-term investments are carried at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited under the head "capital gain" to the statement of profit and loss.

h. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. Finished goods are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross).

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

j. Foreign currency translation

(i) Sale: Direct exports are undertaken in terms of the currency of the country of export and accounted for at the rate prevailing on the date of shipment. The difference in exchange on the date of realization of debts is taken in revenue. Third party exports are undertaken at rupee value.

(ii) Expenses: The actual expenses in terms of rupees on the date of transaction/ remittance for purchase (import) of goods and expenses are taken into account.

(iii) Capital Goods: No capital goods were acquired out of foreign exchange involvement since 01-06-2003.

(iv) Borrowings: No foreign currency borrowings were made during the current financial year and no outstanding foreign currency borrowings were at the beginning of the year.

k. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund.

The retirement benefits of the employees in the form of gratuity is provided on accrual basis taking into account the actuarial valuation.

CEETA INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

i Income tax

In pursuance of accounting Standard-22 (accounting for taxes on income) issued by the Institute of Chartered Accountants of India, current tax is determined on the basis of the income for the year under Income Tax Act.

Provision for deferred tax made in the Profit and Loss Statement reflects the impact of timing differences between income and accounting income originating during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

As the company is having deferred tax asset by concept of prudence, no provisions has been made in the books.

m. Segment reporting

The Company at present has two segments viz. granite division engaged in manufacturing granite products and other operations which comprise trading transactions including brokerage, commission, mining, transportation, purchase / sale of property construction rights, interest income on short term lending and miscellaneous services.

Segment result includes revenue less operating expenses and provision, if any, for that segment. Segment capital employed represents the net assets in particular segments. Head office income and expenses are considered as unallocable corporate expenditure net of unallocable income.

n. Earnings Per Share

The company reports basic and diluted earnings per equity share in accordance with AS-20 (Earnings Per Share). Basic earnings per equity share has been computed by dividing net profit or loss by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share, has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

o. Inter Corporate Loans

The Company follows the KYC norms before providing inter- corporate loans. The Company also covers reasonable securities against loan before / at the time of providing loans. Loans are segregated into secured and unsecured depending upon the securities taken against the loan.

p. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

q. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and bank deposits with more than 12 months maturity. Investment towards margin money and security deposit and other commitments are also grouped under cash and cash equivalents.

KINGSTONE KRYSTALS LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of Messrs. Kingstone Krystals Limited.

Report on the Financial Statements

We have audited the accompanying financial statements of **Kingstone Krystals Limited**, which comprise the Balance Sheet as at 31st March, 2013, and the Statement of Profit and Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- b) in the case of the statement of Profit and Loss, for the profit of the company for the year ended on that date.

Report on Other Legal & Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books

KINGSTONE KRYSTALS LIMITED

- c) The Balance Sheet and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the Balance Sheet and the Statement of Profit and Loss comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956.
- e) On the basis of written representations received from the directors as on 31st March, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

KINGSTONE KRYSTALS LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

NOTE 1**SIGNIFICANT ACCOUNTING POLICIES****a. Corporate information**

Kingstone Krystals Limited is a domestic public limited company incorporated under the provisions of the Indian Companies Act, 1956. It is a subsidiary of Ceeta Industries Limited and 98.96% shares are held by its holding company.

b. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the *Companies (Accounting Standards) Rules, 2006, (as amended)* and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

c. Change in accounting policy

Presentation and disclosure of financial statements

The revised Schedule VI notified under the Companies Act 1956, is applicable to the company for preparation and presentation of its financial statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

d. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

e. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Long-term investments and Current investments in the financial statements are carried at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited under the head "capital gain" in the statement of profit and loss.

f. Revenue recognition

KINGSTONE KRYSTALS LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods.

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

g. Income tax

In pursuance of accounting Standard-22 (accounting for taxes on income) issued by the Institute of Chartered Accountants of India, current tax is determined on the basis of the income for the year under Income Tax Act. No provision for deferred tax liability made in the Profit and Loss Statement as there is no time difference persisting in the account.

h. Earnings Per Share

The company reports basic and diluted earnings per equity share in accordance with AS-20 (Earnings Per Share). Basic earnings per equity share has been computed by dividing net profit or loss by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share, has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

i. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability.

j. Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and bank deposits with more than 12 months maturity. Investment towards margin money and security deposit and other commitments are also grouped under cash and cash equivalents.

CEETA INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CEETA INDUSTRIES LTD.

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of CEETA INDUSTRIES LTD. which comprise the Consolidated Balance Sheet as at 31st March, 2013, the Consolidated Statement of Profit and Loss and Consolidated Cash flow Statement the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statement

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- b) in the case of the Consolidated Profit and Loss Account, of the profit for the year ended on that date.
- c) in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

CEETA INDUSTRIES LIMITED

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

NOTE 1

PRINCIPLES OF CONSOLIDATION FINANCIAL STATEMENTS:

The consolidated financial statements which relate to Ceeta Industries Limited and its Subsidiary company, have been prepared on the following basis:

- I. The financial statements of the Parent Company and its subsidiary are combined on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenditure, after fully eliminating intra group balances, intra group transactions and any unrealised profit/loss included therein.
- II. The consolidated financial statements have been prepared using uniform accounting policies, except stated otherwise, for like transactions and are presented, to the extent possible, in the same manner as the Parent Company's separate financial statements.
- III. The difference between the cost of investment in the subsidiary and the share of net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- IV. Minority Interest's share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- V. Minority Interest's share of net assets of consolidated subsidiary is identified and presented to the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- VI. The subsidiary Company considered in the financial statements is as follows:

Name	Country of Incorporation	% Voting power as on 31/03/13
Kingstone Krystals Ltd.	India	98.96

b. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

c. Change in accounting policy

Presentation and disclosure of financial statements

The revised Schedule VI notified under the Companies Act 1956, has become applicable to the company in the previous year for preparation and presentation of its financial statements. There is no change in accounting policy of the company during the current year. However, the company has reclassified the previous year figures in accordance with the requirements applicable in the current year.

d. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

e. Tangible fixed assets

Fixed assets of the Parent Company are stated at the book value as on 01/06/2003 and subsequent capital expenditure i.e.; addition to fixed assets are stated at cost prevailing at the date of acquisition. There is no fixed asset in the subsidiary company.

f. Depreciation on tangible fixed assets

Depreciation on fixed assets has been provided on straight line method; in case of plant & machinery for granite division the 'triple shift basis' has been taken. The rates and manner for depreciation provision are as per schedule XIV to the Companies Act, 1956 as amended by the Companies (Amendment) Act, 1988.

g. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments and Long-term investments are carried in the financial statements at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

h. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. Finished goods are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross).

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

j. Foreign currency translation

(i) Sale : Direct exports are undertaken in terms of the currency of the country of export and accounted for at the rate prevailing on the date of shipment. The difference in exchange on the date of realization of debts is taken in revenue. Third party exports are undertaken at rupee value.

(ii) Expenses :The actual expenses in terms of rupees on the date of transaction/ remittance for purchase (import) of goods and expenses are taken into account.

(iii) Capital Goods :No capital goods were acquired out of foreign exchange involvement since 01-06-2003.

(iv) Borrowings: No foreign currency borrowings were made during the current financial year and no outstanding foreign currency borrowings were at the beginning of the year.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2013

k. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund.

The retirement benefits of the employees in the form of gratuity is provided on accrual basis taking into account the actuarial valuation. There is no employee in subsidiary company

l. Income tax

In pursuance of accounting Standard-22 (accounting for taxes on income) issued by the Institute of Chartered Accountants of India, current tax is determined on the basis of the income for the year under Income Tax Act.

Provision for deferred tax made in the Profit and Loss Statement reflects the impact of timing differences between income and accounting income originating during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

As the company is having deferred tax asset by concept of prudence, no provisions has been made in the books.

m. Segment reporting

The Company at present has two segments viz. granite division engaged in manufacturing granite products and other operations which comprise trading transactions including brokerage, commission, mining, transportation, purchase / sale of property construction rights, interest income on short term lending and miscellaneous services.

Segment result includes revenue less operating expenses and provision, if any, for that segment. Segment capital employed represents the net assets in particular segments. Head office income and expenses are considered as unallocable corporate expenditure net of unallocable income.

n. Earnings Per Share

The company reports basic and diluted earnings per equity share in accordance with AS-20 (Earnings Per Share). Basic earnings per equity share has been computed by dividing net profit or loss by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share, has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

o. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

p. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and bank deposits with more than 12 months maturity. Investment towards margin money and security deposit and other commitments are also grouped under cash and cash equivalents.
